Application Date: *1987*

## Problem

*Leaks in the water feature.*

## Photograph Descriptions

- \* Water feature ,
- \* Prior to application ,
- \* Completed application ,
- \* Water feature back online ,

## Application Situation

Water feature.

## Application Method

The application was carried out in accordance with Belzona Know-How System Leaflet RPA-6 for waterproofing gutters and standing water areas. The area was cleaned of any debris and blasted to prepare the surface. Belzona 3911 was applied to the concrete and Belzona 3921 was applied to the steel using a brush. Belzona 3111 was applied to the surface using a brush as a two coat system.
