Application Situation

Insulated ductwork - HVAC

Application Method

The products were brushed and rolled on in accordance with a modified version of Belzona Know-How Systems Leaflet TCC-4.

Belzona Facts

Belzona® 3111 (Flexible Membrane) allows the moisture inside the system to breathe without allowing rain water in. The products flexibility allowed for protection of the unusual design of the ductwork. The only alternative was to build a new system. Over \$10,000 was saved.
